ORDER

June 9, 2015

TALWANI, D.J.

On April 21, 2015, after being notified by Plaintiff that the above-entitled action had settled, the court ordered the action dismissed, without prejudice to the right of any party to reopen the action within forty-five (45) days if settlement was not consummated. Before the court is Plaintiff's Motion to Reopen the Case [#13], filed on the forty-fifth day after dismissal, in which Plaintiff moves the court to reopen this case to allow it to proceed through the normal course of litigation. Plaintiff does not assert that the settlement was not consummated, but claims that Defendant has continued to infringe Plaintiff's trademarks and has violated the terms of the settlement agreement. In light of the failure of any settlement to have resolved the dispute between the parties, the motion is ALLOWED. Plaintiff is directed to serve this Order on Defendant and file a certificate of service with the court. Defendant shall file a responsive pleading to the Complaint [#1] no later than 21 days from the date of service of this order.

IT IS SO ORDERED.
